Dear Parent/Guardian

The teaching and support staff have been working very hard to create a new style report for you. This has taken a huge amount of our time and draws upon events across the year. Many parents say that their children come home and say they have just played or done nothing at school or that they can't remember. We thought this could be an excellent way for you and your child to engage in dialogue about their school year, using the comments or photographs as a prompt. We have offered you the choice of report format this year; we felt that the electronic copy looked so much better, as it is in colour. We are sorry that we cannot print out a colour version or supply two different formats of the report – 410 proved to be difficult enough in our pilot year. Please enjoy the report, we hope that you find it informative and interesting.

Can I also take this opportunity to express my sincerest thanks to you all, for your support this year. Lots of parents and family members have helped as school visit or classroom support, Home School Association or Governing Body members – all very special volunteers, thank you. Much of our work relies upon your help and our curriculum is enriched and leadership enhanced because of this support. Please complete the enclosed questionnaire, especially Year Six parents, as this is useful feedback to determine our next steps as a school.

All that remains is to wish you all a very good summer holiday. I look forward to seeing you all very refreshed on **Tuesday 8 September**.

Yours sincerely

Mrs D Hewitson
