

Year 4

Progression in Art

Key Stage 2 Art Statutory Coverage

Pupils should be taught to:

1. Develop techniques, including control and use of materials, with creativity, experimentation and increasing awareness of different kinds of art, craft and design.
2. Create sketch books to record their observations and use them to review and revisit ideas.
3. Improve mastery of art and design techniques, including drawing, painting and sculpture with a range of materials (for example, pencil, charcoal, paint, clay)
4. Learn about great artists, architects and designers in history.

Key Objective	Key Skills
1. Develop techniques, including control and use of materials, with creativity, experimentation and increasing awareness of different kinds of art, craft and design.	Continue to develop control using a range of materials. Begin to develop an understanding of the range of art, craft and design techniques used by artists/designers.
2. Create sketch books to record their observations and use them to review and revisit ideas.	Continue to use sketch books to record observations. Review and evaluate your work.
3. Improve mastery of art and design techniques, including drawing, painting and sculpture with a range of materials (for example, pencil, charcoal, paint, clay)	Continue to develop a range of art and design techniques using a range of materials.
4. Learn about great artists, architects and designers in history.	Continue to develop an understanding of the work of either artists, architects or designers in history.
