

Year 6

Progression in Art

Key Stage 2 Art Statutory Coverage

Pupils should be taught to:

1. Develop techniques, including control and use of materials, with creativity, experimentation and increasing awareness of different kinds of art, craft and design.
2. Create sketch books to record their observations and use them to review and revisit ideas.
3. Improve mastery of art and design techniques, including drawing, painting and sculpture with a range of materials (for example, pencil, charcoal, paint, clay)
4. Learn about great artists, architects and designers in history.

Key Objective	Key Skills
1. Develop techniques, including control and use of materials, with creativity, experimentation and increasing awareness of different kinds of art, craft and design.	Master the control of a range of different materials. Identify the different art, craft and design techniques used by artists/designers.
2. Create sketch books to record their observations and use them to review and revisit ideas.	Continue to use sketch books to record observations. Review and evaluate pieces of work created by the class and well-known artists/designers.
3. Improve mastery of art and design techniques, including drawing, painting and sculpture with a range of materials (for example, pencil, charcoal, paint, clay)	Master a range of art and design techniques using a range of materials.
4. Learn about great artists, architects and designers in history.	Be inspired by the work of artists, architects and designers and adapt the different ideas and techniques to create their own pieces of work.
