

# Code breakers activity worksheet

First, can you decipher the code? Next, some of the words are in the wrong place. Can you rearrange your jumbled up code so it makes sense? Hints: it is a rhyming verse. The first line is correct. **1 = a, 26 = z**

As soon as Wolf began to feel  
That he would like a decent meal,  
He went and knocked on Grandma's door.  
When Grandma opened it, she saw  
The sharp white teeth, the horrid grin,  
And Wolfie said, 'May I come in?'  
Poor Grandmamma was terrified,  
'He's going to eat me up!' she cried.  
And she was absolutely right.  
He ate her up in one big bite.
