

Dear Parents,

We have put together a recommended timetable of activities for your child to complete in the event of self isolation. The timetable includes a range of activities that will enable your child to consolidate and apply key learning from our curriculum.

In addition to the activities on the timetable, we would also recommend the following tasks:

- Revision sections on Compare 4 Kids/SATs Boot Camp (both Maths and English)
- SAT style tasks on Compare 4 Kids/ SATs Boot Camp (SPAG, Reading, Arithmetic and Reasoning)
- Doodle (English, Maths, Spellings, Times Tables)
- Prodigy Maths (Tasks will be set on a regular basis)

Please can you also encourage your child to practise weekly spellings and enjoy a good book!

We hope you all stay safe and healthy during this difficult time and we hope to see you soon!

Many thanks,

Mrs Anderson-Harrison, Mrs King and Mrs Malinowska.

A banner for 'Year 6 SATs Boot Camp' featuring a photograph of three children (two girls and one boy) sitting at a desk and looking at a laptop. To the right of the photo, the text 'Year 6 SATs Boot Camp' is written in blue, followed by 'The ultimate Year 6 SATs revision tool...' in black. Below this text are two buttons: a blue one labeled 'Teachers subscribe' and an orange one labeled 'Parents subscribe'.
